## **YOGA** *and the Gospel*

For many Christians who don't understand the history behind it, yoga is simply a means of physical exercise for healthiness. However, the philosophy behind yoga is much more than physically improving oneself. It is an ancient practice of idol worshippers in India, believed to be the path to spiritual growth and enlightenment.

The word yoga means "union," and the goal is to unite one's transitory (temporary) self with the infinite Brahman, the Hindu concept of "God." This god is not a literal being, but is an impersonal spiritual substance that is one with nature and the cosmos. This view is called "pantheism," the belief that everything is God and that reality consists only of the universe and nature. Because everything is God, the yoga philosophy makes no distinction between man and GOD.

Yoga originated with a blatantly anti-Christian faith and philosophy, and that philosophy has not changed till today. It teaches one to focus on oneself instead of on the one true and living GOD . It encourages its

participants to seek the answers to life's difficult questions within their own consciousness instead of in the Word of GOD. It also leaves one open to deception from GOD's enemy, who searches for victims whom he can turn away from GOD (1 Peter 5:8).

Whatever we do should be done for GOD's glory (1 Corinth 10:31), and we would be wise to heed the words of the apostle Paul: "Fix your thoughts on what is true and honourable and right. Think about things that are pure and lovely and admirable. Think about things that are excellent and worthy of praise". (Phil 4:8) As a true and born again Christian we must exercise caution rather than promoting and pray for discernment regarding involvement in yoga.

It may not be wrong to mention that, this is the world system of Satan or the devil to hoodwink the people or to get the people drunk the wine of Babylon which is called the "Abominations and the Mother of Harlots" according to the Holy Scriptures.

Praise the LORD. Amen.
